YONATHAN MARCELLO S TAMBANI

Jalan Topaz Blok D No 370 Perumahan Masnaga Jaka Sampurna, Bekasi, Jawa Barat

yonathantambani109@gmail.com

EDUCATION	**PRESIDENT UNIVERSITY**, Candidate for Bachelor of Science in Computing. GPA 3.90 / 4.00, Sep 2023 - Present	
	Honors: Beasiswa Jababeka	Jul 2023 - Present
	Awards: CSGO Badminton	Feb 2024
	CSGO Mobile Legends	Feb 2024
	SMAN 3 BEKASI, High School Diploma. Jul 2020 - May 2023	
	Awards: Fashion Show	Apr 2022
	Activities: Volzhier Christian Community	Jul 2020
	Volzhier Badminton Club	Jul 2020

PROJECTS	***President University Simulator***, Member	Nov 2023 - May 2024
	Contributed to the development of President University Simulator, a game simulating student life where players aim to complete their studies and graduate successfully.	
	NAWASENA, Event Organizer	Jun 2024 - Jul 2024
	I took on the role of event organizer for our Nawasena project, creating and managing the timeline to keep everything on track, and also designing a quiz for participants to make the event more engaging.	
	President University Website, Programmer	Apr 2024 - May 2024
	In my 2nd semester, I worked on this group project where I was responsible for developing the users page and managing the database to support the application's data operations.	
	Cashflow, Programmer	Apr 2024 - May 2024
	In the 2nd semester, I developed an app that helps users track their incomes and expenditures and calculate their net cash flow to better manage their finances. I was responsible for handling the database and designing the user interface.	
	Profiling 5 Hackers Targeting Indonesia, Cybersecurity Student Researcher	Mar 2025 - May 2025
	As a cybersecurity bootcamp student, I took on the role of researching and profiling two hackers using OSINT methods like Google Dorking and WhiteIntel dark web tools, contributing to our team's project on profiling five hackers targeting Indonesia.	
	BMI Calculator, Programmer	Oct 2024 - Dec 2024
	For this project, I developed a BMI Calculator application, handling the design, the backend functionality, and the implementation of the login page to ensure a smooth and secure user experience.	

SKILLS & CERTIFICATES	**Skills:** Research.	
	Certificates: Anak Siap Raih Kampus Idaman, (principal of SMAN 3 Bekasi).	

LANGUAGE PROFICIENCIES	Indonesia (Native); English (Beginner)

PERSONAL	My name is Yonathan Marcello. I graduated from SMAN 3 Bekasi and am currently studying Information Technology at President University. As a beginner in informatics, I am developing my skills in coding, system development, cybersecurity, and front-end development. I am able to think critically, make quick decisions, and have started gaining experience in designing user interfaces, working with backend systems, managing simple databases, and exploring basic OSINT techniques for profiling threat actors.
